REMARGA/11/08-Mailed summons and complaint

05/22/08- Received waiver of service of summons. copy to court and plaintiff.

## Waiver of Service of Summons

## To: United States Marshal

RECEIVED U.S. MARSHAI SOUTHERN DISTRICT OF CALIFORNIA

I acknowledge receipt of your request that I waive service of summons in the action of Nehemiah Robinson, which is case number 08CV161 in the Whited States District Court of the Southern District of California. I have also received a copy of the complaint in the action, two copies of this instrument, and a means by which I can return the signed waiver to you without cost to me.

I agree to save the cost of service of a summons and an additional copy of the complaint in this lawsuit by not requiring that I (or entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4.

I (or the entity on whose behalf I am acting) will retain all defenses or objections to the lawsuit or the jurisdiction or venue of the court except for objections based on a defect in the summons or in the service of the summons.

I understand that a judgment may be entered against me (or the party on whose behalf I am acting) if an answer or motion under Rule 12 is not served upon you within 60 days after April 11, 2008, or within 90 days after that date if the request was sent outside the United States.

Date: \_\_\_\_ May 20, 2008

Defendant hereby waives personal service of this Complaint pursuant to Rule 4(d) of the Federal

**Rules of Civil Procedure**

## **Duty to Avoid Unnecessary Costs of Service of Summons**

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the summons and complaint. A Defendant located in the United States who, after being notified of an action and asked by a Plaintiff located in the United States to waive service of a summons, fails to do so will be required to bear the costs of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the complaint is unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the summons retains all defenses and objections (except any relating to the summons or to the service of the summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

A Defendant who waives service must within the time specified on the waiver form serve on the Plaintiff's attorney (or unrepresented Plaintiff) a response to the complaint and must also file a signed copy of the response with the court. If the answer or motion is not served within this time, a default judgment may be taken against that Desendant. By waiving service, a defendant is allowed more time to answer than if the summons had been actually served when the request for waiver of service was received.
